

Carestream

DRX-Evolution Plus X-ray System
with Curved Rail Wall Stand

Flexibility. Space-saving. Confidence.

SMART IMAGING SOLUTIONS

Carestream's Curved Rail System – High Quality Imaging in Small Spaces

Carestream's curved rail system delivers high quality imaging in small spaces, adapting effortlessly to patient needs, clinical workflows, and room constraints. Pediatric-friendly features ensure gentle, confident imaging – giving families peace of mind.

Advantages at a Glance

- Designed for small rooms and tight spaces – enables installations in up to a 25% smaller space
- Adaptable to a variety of procedures and diverse patient needs
- Supports pediatric imaging with comfort-focused features

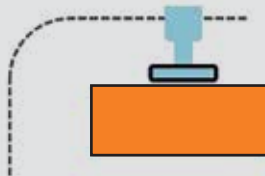

DRX-Evolution Plus X-ray System with Curved Rail Wall Stand

Why the Curved Rail System?

Carestream's DRX-Evolution Plus Curved Rail feature enables installations in up to a 25% smaller space

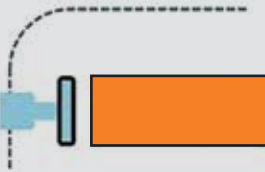

- Engineered to fit tight clinical environments, maximizing utility without compromising performance.
- Simplifies room planning by reducing layout, size, and installation constraints.
- Accommodates a wider range of small room configurations.

Behind

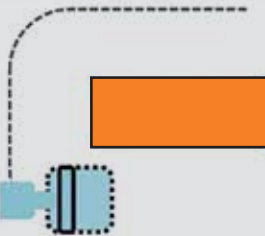

Cross Table Exams

Beside

Seated Exams

In Front

Upright Exams
Stretcher Table
Advanced Apps: LLI, DT

Greater Workflow Flexibility

Conveniently, quickly, and accurately adapt to different procedures and diverse patients for faster, easier exams for both technologists and patients.

Positioning Made Easier.
Exams from Head to Toe.
Upright, on the Stretcher, or Cross Table.

All in the same room.

Suited for All Patient Types

- Approach bariatric imaging with wall stand options to help minimize repositioning while supporting stable, efficient exams.
- Support imaging for patients with limited mobility by meeting them where they are, reducing the need for transfers and enabling smoother, more manageable exams.
- Designed to elevate pediatric imaging — making patient comfort, exam speed, and family-centered care a priority.

Get Ahead of the Curve – capture every image with confidence with the DRX-Evolution Plus X-ray System.

Optional Smart Room features and Smart Noise Cancellation available.
